Spelling Bee

The objective of the **Spelling Bee** game is to listen to the word and then spell it correctly. There are ten words in each game. The bee has five jars of honey. Each time you misspell a word the bee loses one of her jars of honey. To win you must finish the game without running out of honey.

Space Cats

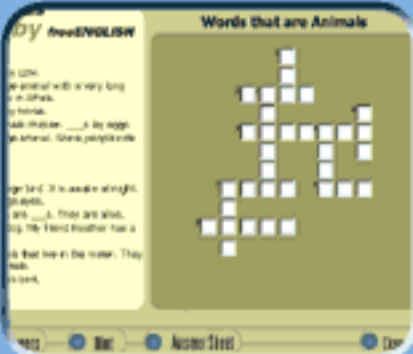

Coco Nuts

The objective of **Coco Nuts** is to listen to the word being pronounced. Out of the two words that you see, click on the word that you heard. If you pick the correct one, Coco will get a reward. Can you help Coco the Monkey?

Crosswords

Complete the **Crosswords** by clicking in each space and entering the correct letter. Click on any of the crosswords below:

Bunny Drop

The objective of **Bunny Drop** is to guess the correct word before the bunny drops through the hatch. You have six guesses to save the bunny.

Sound Off

Sound off

Match all of the English words to win! When two English words are matched, you hear how they are pronounced before they disappear.

Space Cats

Space Cat Alert! Can you protect your cities from the Space Cats while you are practicing verb forms?

Notice the verb at the bottom of the screen. Every time you click on the Space Cat with the correct matching form of this verb, all three Space Cats will fly off into space and your cities will be safe.
